## About

With a formal education in Fine Arts and Design, I am constantly learning new skills and finding inspiration in my every day surroundings. My design style varies per project and I am able to effortlessly adapt to different styles as needed. I really enjoy picking apart important information and transforming that into something beautiful, meaningful and engaging. I often work alone and really appreciate collaborating with others, because different perspectives allows for a wider range of skills and possibilities.

## Skills

### Adobe CC Suite:

Photoshop, Illustrator, InDesign, Adobe XD, Adobe Express, Acrobat

### Microsoft Suite:

Powerpoint, Word, Outlook

Klaviyo, BigCommerce, Shopify, Wordpress, Canva, Basic HTML/CSS Knowledge, Conceptualizing, Directing, Project Management

Photography, Lighting, Large Format Digital Printing, Stahls Hotronix Heat Press

### Languages:

English, French

## Experience

June 2023 – Present

### SENIOR GRAPHIC DESIGNER (MARKETING)

Lancôt Sports · Ville Saint-Laurent, QC

Designing for 5 textile & fashion brands. Working closely with marketing, ecommerce and copywriters to create compelling and creative campaigns for social media, organic/paid ADS, social media posts and emails. Designing brand guidelines, icons, logos, hang tags, catalogues, as well as retouching product and lifestyle photography. Preparing and printing in-store promotional material. Designing and integrating websites on Shopify, while working alongside developers. Collaborating with junior graphic designers, reviewing their work and teaching them best practices in design research, layout and techniques.

Feb 2023 – Oct 2023

### GRAPHIC + WEB DESIGNER

The Creative Studio by Veevee · Montréal, QC

Assisting the studio with their client based projects while following existing brand guidelines. Designing book press kits, books covers, logos, digital and print marketing materials, trade show booths, email campaigns, and websites in Wordpress.

Sept 2021 – Feb 2023

### GRAPHIC DESIGNER

KPI Digital Solutions · Ville Saint-Laurent, QC

Designing powerpoint presentations, branding, brand guidelines, applications, websites, email campaigns, infographics, case studies, and social media graphics. Worked closely with the marketing team.

Established a brand image for their mining division, KPI Mining Solutions. Designed their logo, brand guidelines, social media graphics, powerpoint presentations, word templates, in-app icons, infographics and website.
